Session Topic

Financing Issues and Challenges:

Getting more money for health,
getting more health for the money

Challenge number 1: Money

- Mandatory contributions from workers whether through taxes or premiums
- Sin Taxes
- Tax Revenues to cover for the poor

Challenge Number 2: Decision-Making

If and when you have the money,
where do you put it?

Challenge 2: Decision-Making

- Of course we should put money for medicines.
 - But, How much?
 - What medicines?
- Filling in of the Know-Do Gap
